About IEIA

Established in 2006, the Indian Exhibition Industry Association (IEIA) is the national apex body representing the exhibitions sector in India that brings together all exhibition organizers, managers, designers & stand contractors, freight forwarders, services & facilities providers & venue owners. IEIA advocates the interests of the sector through its representations to the Govt. and It provides a common platform to the entire industry to meet through Councils / Committees, Seminars / Workshops and consider ways and means for the sound and scientific development of various facets of the industry and exchange views and information on developments, improvements and offer solutions to its vast member base.

Key Objective

- » Protect and promote the common interest of its members.
- » Represent the industry in all matters nationally and internationally in relation to Government, media and the public.
- » Promote Indian Exhibitions and Trade Fairs as cost effective marketing medium Nationally and Internationally.
- » Lay down code of ethics for conducting business and safeguard high quality of services to the exhibitors and visitors to events organized by its members.
